SOCIAL-EMOTIONAL LEARNING FOR SCHOOLS

Enhancing Students' Character Development

Our social-emotional learning (SEL) curriculum offers age-appropriate character development and positive mental health, social and emotional wellness, behavior intervention and restorative practices for schools of all sizes. Our CASEL-aligned curriculum is scaffolded by grade and provides on-demand, sequenced learning for students, staff and families. Additionally, our fully customizable platform offers robust resources and lesson plans that are flexible and guided to meet the unique needs of your state, district and schools.

Help your students reach their full potential and thrive with evidence-based social-emotional learning lessons.

4th Grade Student, Evelyn Rosencranz, authored an amazing anti bully story and shared it with 2nd grade classes.

Execute the improvement and updating of the infrastructure and maintain safe working facilities

ALICE ACTIVE SHOOTER RESPONSE TRAINING

Empower Your Students & Staff to Respond to Emergencies

Violence can happen anywhere and at any time. With students and staff thinking about their safety more than ever before, now's the time for your schools to implement age- and ability-appropriate, trauma-informed safety training that can give them the confidence they need to thrive in a safe learning environment.

Execute the improvement and updating of the infrastructure and maintain safe working facilities

A.L.I.C.E. basic life saving strategies:

Alert - Notify the people within the danger zone about the life-threatening risk.

Lockdown - Barricade your area and prepare to evacuate or counter if needed.

Inform - Relay continuous, accurate information to responders about the incident.

Counter- Create noise, movement and distraction

Evacuate - Remove yourself from danger when safe

Foster partnerships to benefit the overall development of the school community
